Capture your students' imaginations through one of our school programs. Each B.C. curriculum-based program includes a balance of hands-on activities, exploration of the Hudson's Bay Company fur trading post, and interaction with our heritage interpreters.

Climb the roughly hewn steps of the wooden bastion to catch a glimpse of the Fraser River. Carry a fur bale on your back, hear the clang of the anvil, and even touch a real beaver fur. Hear interpreters in colourful costumes tell stories of the diverse families of the fur trade.

We guarantee that what your students encounter at Fort Langley National Historic Site will be unforgettable!
